

## (C) Versatile Verb (1/2) [10 Points]

In the left column below appear sentences in Waama, or Yoabu, a Gur language of Benin spoken by roughly 50,000 people. These sentences appear in the writing system of the language. You do not need to know how the writing system's letters are pronounced to solve this problem. In the right column below, the translations of these sentences in English appear *in a scrambled order*.

- |  |   |
|--|---|
